Volunteer Spotlight on DeShayna Davis & Tsitsi Gwanyanya

DeShayna Davis and Tsitsi Gwanyanya first met while working the night shift in the ICU at University of Kentucky Hospital. More than a decade later, DeShayna and Tsitsi are once again working side-by-side now as volunteer Nurse Practitioners hosting twice monthly clinics at Mission Health Lexington.

Foundation Spotlight

"Toyota looks for ways to expand access to opportunities that improve people's lives and create a culture of inclusion—strengthening the communities where we live and work. Our choice of community partners reflects our commitment to serving diverse and underserved populations.

TOYOTA

KENTUCKY

TOYOTA MOTOR MANUFACTURING, KENTUCKY, INC.

That focus led us to providing funding to Mission Health Lexington. During these uncertain times, protecting the health and wellbeing of our most vulnerable citizens is vital. Their services have become an invaluable community resource and Toyota is proud to be a supporter of Mission Health Lexington."

Volunteer Spotlight on Linzi Ralph

"The mission of Mission Health Lexington and the opportunity to give our neighbors charitable dental care is amazing. I would like to keep this philosophy going wherever I end up after dental school."

After an eleven year career as a Registered Dental Hygienist Linzi Ralph was accepted into the University of Kentucky College of Dentistry program in 2019. In addition to her service work at Mission Health Lexington through our partnership with UKCD, Linzi also volunteers on her own as a hygienist."

Volunteer Spotlight on Jason Whitaker

"I believe that everyone should have access to quality healthcare. As a technologist, volunteering for Mission Health Lexington is my way of helping to make sure that happens for our community."

During the 2020 Annual Gala \$11,950 was raised in addition to a \$10,000 match from Bonnie Quantrell to update technology at Mission Health Lexington. The timing was incredible as the clinics began to see an increase in demand for services with the onset of the pandemic while also needing to pivot to telemedicine efforts to keep both patients, staff, and volunteers safe. Jason Whitaker has graciously served as Mission Health Lexington's volunteer IT expert for over a decade and eagerly took the lead on the project of updating all aspects of communication and technology dramatically improving our ability to provide quality care to those in our community who need us most.

Supporters

Mission Health Lexington is grateful for each and every supporter who made a donation in FY2020. With your generosity, our clinics continue to provide health and healing to our neighbors in need.

Invest in Your Community

Invest in the important work of Mission Health Lexington with your prayers, the giving of your time, and talents. We are busier than ever and are currently looking to expand our team of volunteers! Below are our highest needs. For more information contact Lisa West at lisa@missionlexington.org.

Optometrists: Our team of optometrists provide routine eye exams and prescriptions for glasses. Each clinic shift is 2 hours with flexible options Monday through Thursday. We are looking for someone to volunteer at least once monthly.

Oral Surgeons and Endodontists: We are looking for additional providers to join our dental team. No minimum commitment required.

Pharmacy Volunteers: Faith Pharmacy has a variety of volunteer opportunities with openings in the follow areas:

- **Pharmacists:** Shift is 8:30am-12pm on Saturday. We are looking for volunteers to work 1-2 shifts per quarter.
- **Triage Volunteers:** This role works directly with patients and serves as the main point of contact for patients dropping off and picking up prescriptions. Shift is 8:00 am-12 pm on Saturday. We are looking for volunteers to work 1-2 shifts per quarter.
- **Spanish Language Interpreters:** Assist pharmacy team and patients with interpreter needs. Shifts are Saturdays 8:30 am-12:00 pm.
